Name	Information
Kabir Thappar	Mr Thappar has 25 years of experience in the industry. He has managed several projects worth millions of dollars. For the last 15 years, he is associated with Via while working in multiple departments. For the past 5 years, he is reporting directly to CEO. He has a pacesetter leadership style, where he aspires to people to act on the work immediately. He is punctual to all deadlines and open to new ideas and experimentation. He has 2 kids who are studying in the USA for completing their bachelor's.
Anne Barclay	Mrs. Barclay is a pass-out from Wharton School of Penn State. She came to India in 2014, and after that, she is working with Via. She has experience in asset management before joining Via while working with Blackstone. She is the top choice for the position of Vice President-Assets management in the upcoming period. She is process oriented and like the meetings to be brief while sticking to the schedule. Mrs Barclay has one kid who is studying in school.
Rajas Roy	Mr Roy is a jolly-natured Chartered Accountant who has an experience of 15 years in the industry. He had joined the Eco 3 years back before the acquisition. He has worked as a Tax consultant with Big 4 and managed a team of 20 employees. His nickname was problem solver during his stint in Big 4. He builds relationships and likes to meet new people. He enjoys having people over at his house for the weekend party. He is not a person of the process but has a very sharp and keen mind. Mr Roy is a divorcee.
Priya Mehta	Miss Mehta has an experience of 25 years and is a pass-out from an Ivy League college. She has worked in the operations department of several big consulting firms. She joined Eco 5 years back before the acquisition. She is a Sigma black belt and was a part of General Electric's operation team. She is a process-oriented person and likes to work in an organised way. She is punctual with deadlines and doesn't like anyone who misses the deadlines. She is short-tempered in nature and has adopted 2 kids who are in a top sports academy.
Neha Pratap	Mrs Pratap has an experience of 5 years in the real estate industry. She worked with Black Olives Venture before joining Eco in 2018. She managed a lot of projects at Eco, and in the words of her reporting manager, she was a boon for her. She is a pass out from Mumbai University and there she met the love of her life. She is jolly, likes to make new friends and loves to hang out whenever she is free. She likes to work with Anne as she believes there is a lot to learn from her and follows the schedule given to her. She has married recently, and her husband aspires to build his Startup.
Rajat Saxena	Mr Rajat Saxena recently passed out of the Ivy League college and joined Eco. He is technology-friendly and likes to work on initiatives that have complex technology involved in them. He looks at valuation of the real estate projects through the lens of mathematical modelling. He likes to party on the weekend and work with full attention on a weekday. He is an ambivert who mixes with some people and with others not. He is a foodie and whenever he gets a chance, he accompanies Mr Roy for exploring hot Biryani's.
